

CURRENT RATES

FOR ALL TREATMENT PROGRAMS

ABOUT

Our programs vary by length of stay and patient acuity. Patients using insurance to pay for a portion of their treatment can contact the Admissions team using the information below. They will collect your insurance information and send it to our Patient Registration Department to verify any benefits available for our facility. Once the benefits are obtained, a Financial Advisor will call you back to go over your insurance benefits and to calculate an estimated cost for treatment.

RATES BY LEVELS OF CARE

Detox \$1,600 / day

Residential \$1,200 / day

Partial Hospitalization \$700 / day

Intensive Outpatient \$450 / day

Still Waters \$9,000 / month

** Can be either 1-2 months, dependent upon the patient's progress & recommendations*

** Still Waters Transitions is \$3,000 / month (3-month commitment)*

Extended Care \$9,000 / month

Importantly, these figures represent our published rates. We are in network with most insurers. Additionally, we have patient assistance funding available based on need.
